**Step 1**

**WaSh**

Formulated to provide gentle cleansing for oily skin. Use twice daily.

**sPot**

A targeted treatment containing beta and alpha hydroxy acids that help to reduce surface oils. Also contains witch hazel, tea-tree oil, lavender and aloe vera.

**Step 2**

**toNeR**

An oil-free and alcohol-free astringent enriched with ginseng and 5% Glycolic Acid to help exfoliate the skin.

**sCrubb**

Spherical, dissolvable crystals effectively exfoliate dead skin cells but gentle enough for daily use.

**Step 3**

**Lotion**

This oil-free lightweight moisturizer provides hydration for even the oiliest of skin types. Absorbs quickly and is non-comedogenic and hypoallergenic.

**muDD**

A twice a week mask with natural mud from the Mediterranean Sea.
